SCHOLARSHIP ANNOUNCEMENT

Island Drafting and Technical Institute is pleased to announce once again our Scholarship Program for High School Seniors.

For 2023/2024, each High School may select *three* students for scholarships at our college. This scholarship provides a **\$2,500** award to each student, which can be applied toward the daytime session **Associate Degree** program in *Computer Aided Drafting and Design* **or** *Electronic and Computer Service Technology*. The selection of the students is to be determined by the Guidance Office of each High School.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

James G. Di Liberto

President

Accredited College, Accrediting Commission
of Career Schools and Colleges

ISLAND DRAFTING & TECHNICAL INSTITUTE
