Various special needs programs for young adults and adults

Boy Scouts of America is one of the nation's largest and most prominent values-based youth development organizations. BSA provides a program for young people that builds character, trains them in the responsibilities of participating citizenship, and develops personal fitness.

Camp Huntington

56 Bruceville Rd.

High Falls, NY 12440

212-678-0089

866-514-5281

www.camphuntington.com

Serving those with Learning and Developmental Disabilities, ADD/HD, Autism Spectrum Disorders, Asperger's, Pervasive Developmental Disorder (PDD) and other special needs.

Camp Huntington is a summer recreation program for the learning and developmentally disabled. Camp Huntington's goal is to encourage each camper to be the best that he/she can be. This camp offers three distinct, specially designed programs to meet the needs of a wide variety of special needs children:

- Recreation and social skills development for children with learning disabilities and attention deficit disorder or hyperactivity disorder
- Independence for the developmentally disabled
- Participation for children with autism, Asperger's and PDD.

The programs contain specific approaches that address key social, emotional and environmental issues for each disability group. The camper programs are blended together within groups and are located on campus to encourage positive social and emotional exchanges between campers.

Camp Northstar (This is a free camp.)

157 Monell Ave.

Islip, NY 11751

631-806-8990

www.campnorthstar.org

Located on Shelter Island, Camp Northstar offers the opportunity to enjoy a unique camping experience and the chance to spend a great week away from home. Camp Northstar is a week long sleep-away camp staffed and run by volunteers.

Respite Weekends: Designed for families having a family member with a developmental disability living at home. They provide a much needed break for families and allow the family member to enjoy a positive, fun, camp-like vacation.

Family Weekends: Family weekends allow entire families the opportunity to vacation together. Camp Northstar provides an enjoyable, safe atmosphere for families to spend time, and an opportunity to bond as a family as well as network with other families.

Camp Northstar is a 510© (3) organization and is completely funded through grants, donations, and community support. Campers and families are never charged to attend camp.

Camp Northwood

132 State Rt 365

Remsen, NY 13438

315-831-3621

www.nwood.com

Autism Spectrum, Learning Challenged and Socially Immature.

Ages 8-18

Summer Camp and Summer Programs

Since 1976, Camp Northwood and The Northwood Center have been providing quality programming to a coed population of 165 socially immature, learning challenged children in need of structure and individualized attention. Camp Northwood offers 2:1 camper/counselor ratio, non-competitive recreational programming and intentional focus on social skills development that enables students to experience acceptance in a thriving camp community. The Camp Northwood program is based on the philosophy that every child needs to experience success in order to develop social confidence. Camp Northwood provides a support system that allows children to have successful experiences while participating in a variety of traditional camping activities.

Ages 16-21, Young Adults 21 and over

NYIT Vocational Independence Program's mission is to maximize the potential of individuals with learning differences by teaching skills and strategies and providing support necessary for successful independent lives.

NYIT has a seven week summer program entitled Introduction to Independence. This is a summer work study recreation program for students ages 16 to 22. It consists of high school students as well as those enrolled in vocational post-secondary programs with moderate to severe learning differences. High school students in the program are introduced to a college campus and the responsibilities and rewards of living away from home. For the post-secondary students, the program reinforces their classroom education and offers them an expanded social and vocational experience.
