August 23, 2023

Dear Seniors and Parents,

Welcome back! It is a pleasure to call you “seniors”; a title you have waited many years to attain. It is my hope that you enjoy your senior year, and that your post high school plans go smoothly.

To that end, I ask that you review the “Submitting College Applications” instruction sheet along with the “Timeline for College Applications” both of which are included with this letter.

On September 6, the Guidance Department will host its annual Senior College Night for seniors at 7:00PM in the High School Auditorium. Details regarding that meeting will be forthcoming. In the meantime, open your Common App account and get started so that you can attend this workshop and ask questions!

Seniors will also meet with their counselors in groups, much like we did last March prior to the Junior Conferences. These meetings will be held on September 14 periods 2 and 3.

At these very important meetings, you will be instructed by your counselor on how to apply, procedures for letters of recommendation, your essay, etc.

Also, do not miss our **Financial Aid Night** on September 27 at 7:00PM in the High School Auditorium!

On behalf of the Counselors, I wish you a fun and successful senior year!

Sincerely,

Frank J. Muzio
Director of Guidance
