

SEPTA Grant Instructions and Application

The purpose of a SEPTA grant is to distribute funds, materials and/or equipment that will **directly benefit the students with special needs in our district**. Any Wantagh staff member who works with children with disabilities is eligible to apply for a SEPTA grant. Apply for a SEPTA Grant and fund your creative endeavors that will enhance the education for our special education students and/or promote the inclusivity and acceptance of all students throughout the district.

What are the SEPTA Grants?

The Grants are \$50 - \$250 awards to support any teacher who works with special education students (students with an IEP or 504) to purchase materials, equipment, or supplies for learning experiences, activities, or projects that help special education students learn, engage, and enhance their academic or social skills.

Who can apply?

Teachers that work with special education students (i.e.: special education and general education teachers, P.E. teachers, art teachers, librarians, etc.) can apply. One teacher or a group of teachers can apply and the money must be used to help students in special education. Grants will be awarded to teachers at all school levels (elementary, middle, and high school).

When can I apply?

Teachers can apply throughout the school year from September through April. The applications are available for download on the SEPTA website:

https://wantagschools.org/parents/parent_teacher_associations___p_t_a_/septa/donation_grants_program. Applications should be sent as an attachment to our email - wantaghsepta@yahoo.com.

Application for SEPTA Grant

Name of Applicant(s):	
School:	
Contact person: <i>(Choose an individual if a group is applying)</i>	
Email:	
Phone:	

Please use as much space as you need for the following questions. Attach relevant supporting materials.

Describe the activity, materials, or equipment you are applying for:
Describe the learning objectives you are aiming for with this project (e.g., Improve gross motor coordination, increase social interactions and development, etc.) and how it will directly benefit students with special needs:
Describe the group of students who will benefit from this grant and the number of students:
Indicate the amount requested (up to \$250) and attach supporting documentation, as needed.
